REVELATIONS

The Hallelujah Sisters grew up in the House of the Lord, but their home was built on secrets and lies.

Music, money and murder collide with the dreams and ambitions of three gifted and talented sisters as they skyrocket from the church choir to the top of the *Billboard* charts.

REVELATIONS is a story about family, faith and fame.

Our story begins with an unsolved murder mystery twenty years earlier which involved the girls' mother Rachel Owens and her sister Ruth...

REVELATIONS

The unsolved murder places our Three Singing Sisters in the crosshairs of The O'Malley Clan, a vicious, cutthroat Irish mob bent on vengeance, led by Grace O'Malley and her nephew Kayne O'Malley.

REVELATIONS

Urban Unrest is the Backdrop

In the late 1990's, the deindustrialization of Detroit was a major factor that led to murders, drugs and the infiltration of organized gangs, giving the city one of the highest crime rates in the country.

REVELATIONS

Hometown U.S.A. is the setting

Gibraltar, MI, a sleepy middle-class suburb of Detroit with a population of a little over 20,000, is secretly the headquarters of the O'Malley Clan -- a vicious gang of notorious Irish mobsters.

REVELATIONS

Unrest and Turmoil Are in the Air

The current political atmosphere also led to the re-emergence of The Black Legion, a radical offshoot of the Ku Klux Klan with Irish mob connections, who rule by terror and violence.

It's against this tumultuous backdrop The Hallelujah Sisters struggle to survive, thrive and rise to the top.

REVELATIONS

The Gift of Second Sight

Psychic phenomenon has been a well-kept secret in the Owens family for centuries. The gift often skips generations and mostly prevails in the women in the family.

The grandmother, Phoebe Owens, has psychic visions of moments to come. Her daughter, Ruth, hears voices that often warn, frighten and confuse her. Her granddaughter, Abby, has psychic dreams that cryptically foreshadow the dangers that threaten their world.

REVELATIONS

As the story unfolds, Pastor Solomon's Greater Bethel Church and his family are dragged deeper and deeper into the clutches of the O'Malley Clan's web of crime and corruption.

The romances, betrayals, passions and love affairs run hot for all of our characters as their lives intertwine and explode off the screen.

Music drives the drama as the past creeps into the present and threatens to strangle all of their futures.

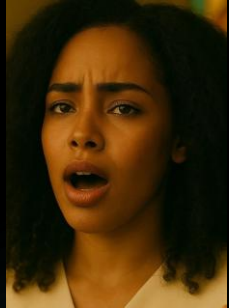

REVELATIONS

The Hallelujah Sisters

ABBY PICKENS (19), the oldest “Hallelujah Sister” has always felt like the family outsider due to a strained and contentious relationship with her mother. Her gifted singing voice and songwriting skills are only surpassed by her gift of “Second Sight.”

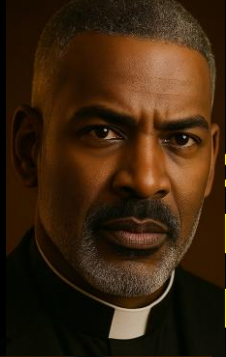

CHLOE PICKENS (18), the middle “Hallelujah Sister” and “wild one” of the three, knows in her heart she’s a superstar. Her obsession with fame and wealth catapults her into a world plagued by addiction and a dangerous love affair.

ZINA PICKENS (16), the “baby” of the family, is the rare combination of spoiled and shy. With the voice of an angel, she could be the break-out star but only if the road to stardom doesn’t break her first.

REVELATIONS

The Pickens Family

SOLOMON PICKENS (43), a charismatic preacher whose ambition to build a mega church drives him to break the very commandments he preaches.

RACHEL OWENS PICKENS (40), the First Lady of the church, aspires to be a pillar of society and she's not about to let anyone or anything get in the way of her quest for money, power and fame.

JOSHUA PICKENS (23), their oldest child, is the flawed "Dark Knight" of our story. After a mysterious two-year absence, his return brings corruption, fraud and the mob into the heart of the family.

REVELATIONS

The Owens Family

PHOEBE OWENS (60), stage mother to her talented daughters Rachel and Ruth, possesses the gift of psychic phenomena in the form of visions. But despite her gift of “Second Sight,” Phoebe fails to see that her deceptions, lies and mob connection could set her family on a downward spiral to disaster.

RUTH OWENS (38) is Phoebe’s flighty, willful and wildly unpredictable youngest daughter. Confused by the psychic voices in her head, her penchant for bad boys and bad decisions leads to danger, heartbreak and even murder.

REVELATIONS

The O'Malley Family

GRACE O'MALLEY (40), the red-headed, beautiful, cutthroat queen of the local Irish mob, rules with an iron fist. After the murders of her brother Timothy and her gangster father Jack, she's forced to run the family's drugs, money laundering and sex trafficking business, ruthlessly scheming to keep the family enterprise lucrative by any means necessary.

KAYNE O'MALLEY (23), the nephew Grace raised from the age of three, is a lady killer and the family's #1 henchman in furthering their criminal enterprise. His psychotic temper and drug abuse leads him down a path to destruction.

REVELATIONS

Exodus Records

BERNICE SIMMONS (40), the take-no-prisoners president of Exodus Records, the struggling, mob-financed record label under Grace O'Malley's control. The Hallelujah Sisters may be her last chance to save the dying label. Will the three singing sisters be pawns in her desperate power struggle with Grace?

DELILAH DELGADO (30), the mysterious, sensual, opportunistic VP of Talent Relations at Exodus Records. Her recording of the three singing sisters goes viral and propels them on the path to stardom. Savvy and street smart, she uses social media as a weapon to control the sisters. Her seductive allure seduces both Solomon and Joshua. She is secretly an undercover foot soldier for Grace at Exodus Records.

THE HALLELUJAH SISTERS

“Every time we sing something bad happens.”
