HE DOESN'T KNOW **HIMSELF**.

THE RED DOOR

A VERTICAL DRAMA SERIES

A SECRET. A SCANDAL. A DOOR THAT CHANGES EVERYTHING.

A Story Ripped From Today's Headlines

The Scandal

A rising U.S. congressman engulfed in a sexting scandal has a spectacular fall from grace.

The Red Door

His secret compulsions lead him through The Red Door and into Veronica's world.

The Trap

Veronica offers silence, but relief becomes obsession, and obsession becomes leverage.

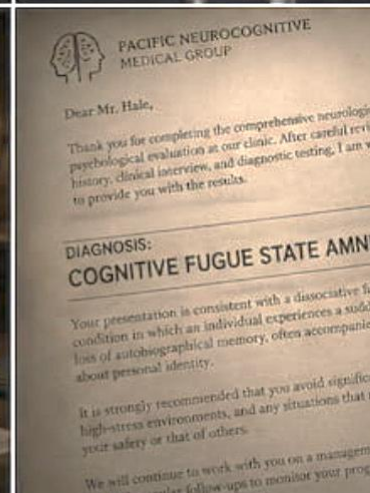

The Weapon

His vulnerabilities are being studied, manipulated and weaponized by forces engineering his downfall.

The World

A phone-first vertical psychological thriller ripped from today's headlines where political power, sexual compulsion, addiction and emotional espionage collide.

Behind every scandal is a private war. **THE RED DOOR** follows the collapse of a public image and the seduction of instant gratification, until escape and entrapment become impossible to tell apart.

Brian Hale

Rising Congressman. Hidden Compulsion.

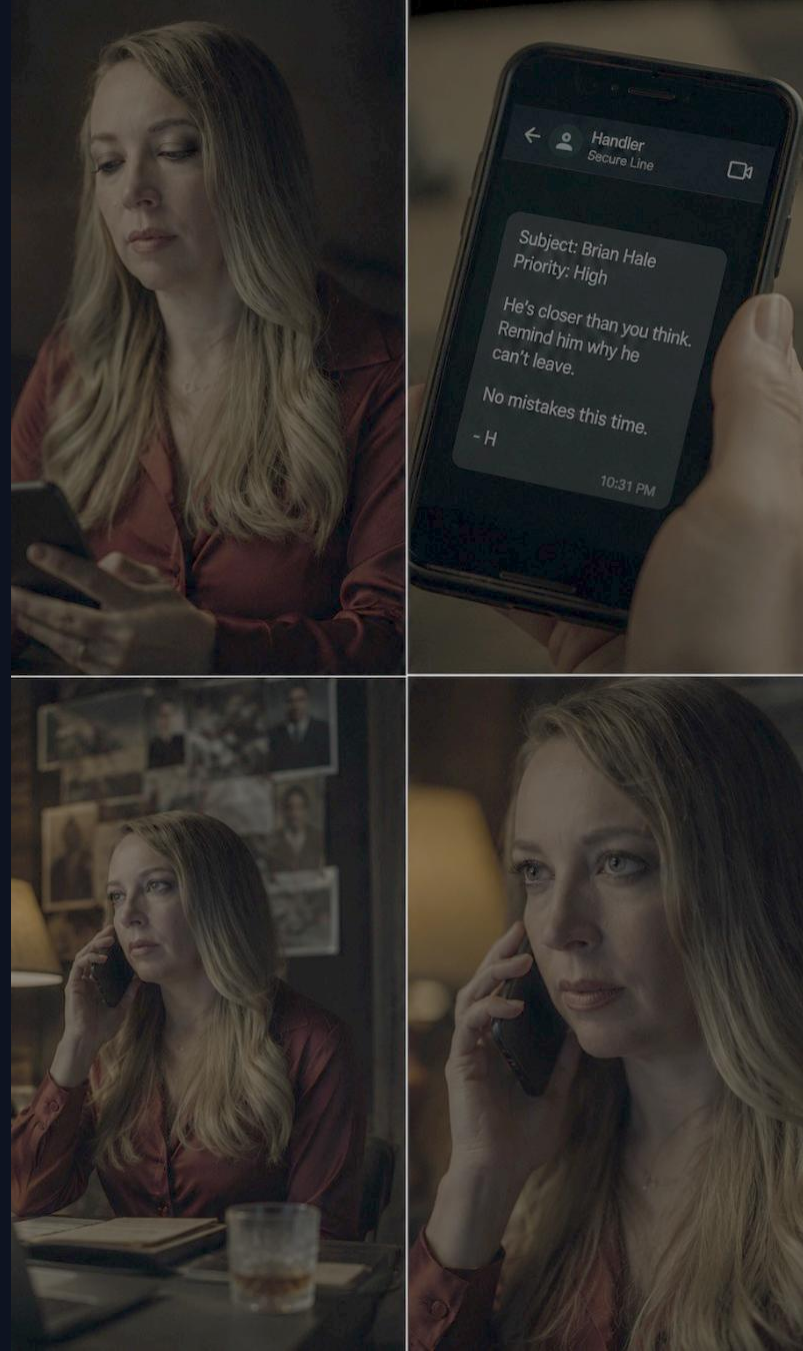

A U.S. congressman's public life begins to collapse after a sexting scandal exposes the private compulsions he has fought to control. Desperate for relief from the noise in his head, his secret hunger brings him to The Red Door through which his enemies will try to destroy him.

Veronica

The Woman Behind The Red Door

Mysterious and magnetic, Veronica offers Brian something more intoxicating than sex or power: silence. But as his dependence deepens, Brian begins to suspect his darkest vulnerabilities aren't being indulged — they're being studied, catalogued and weaponized.

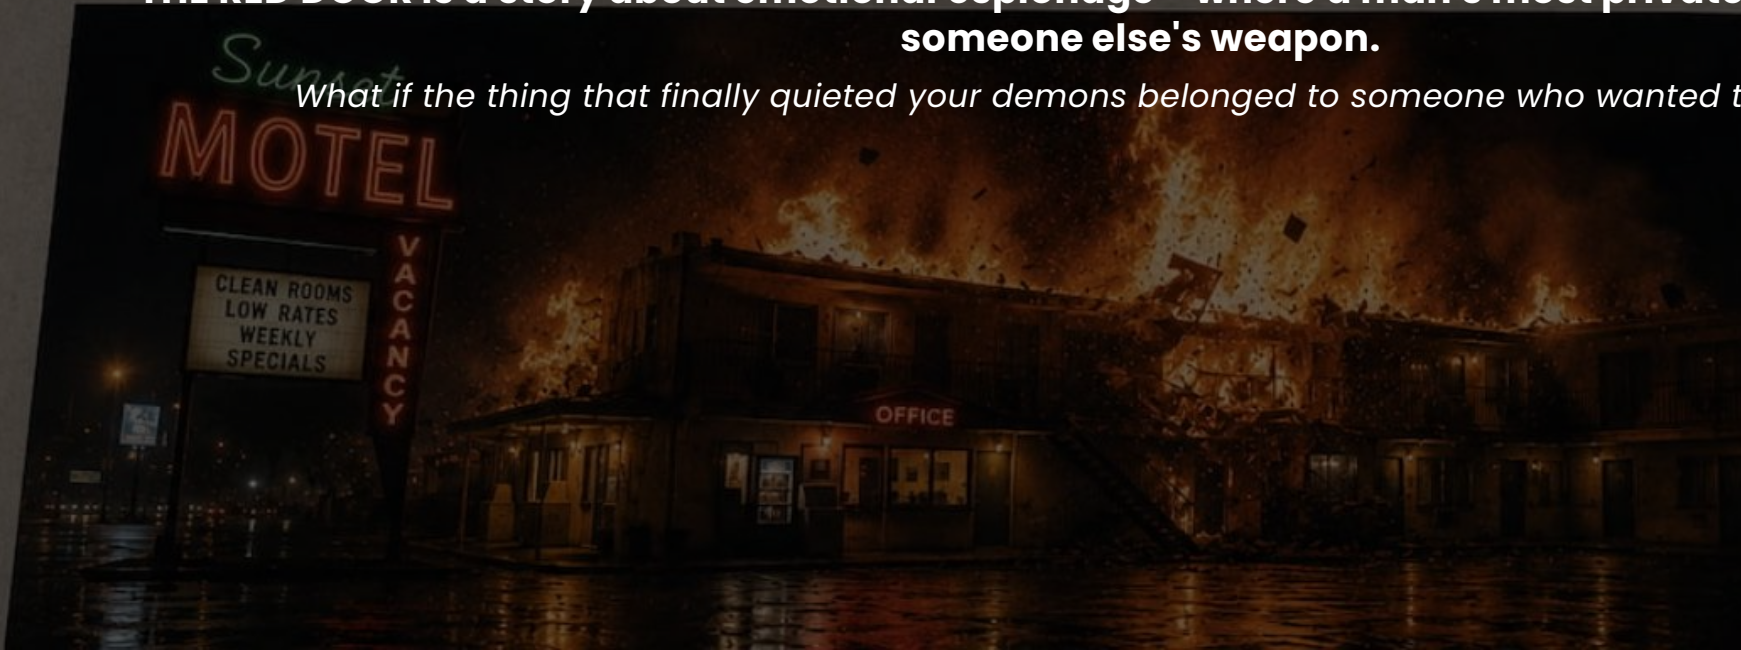

Explosion Rocks New Haven

“Senator Brian Hale, presumed deceased.”

THE RED DOOR is a story about emotional espionage – where a man's most private weakness becomes someone else's weapon.

What if the thing that finally quieted your demons belonged to someone who wanted to destroy you?

Motel Blast Shakes Outskirts of Town

By Daniel Pressman
Herald Staff Writer

A powerful explosion ripped through the Sunset Motel late last night, leveling much of the building and sending debris into the surrounding area.

Authorities confirm one person is presumed dead. The victim has been identified as State Senator Brian Hale.
